# STAR12 All-Access Edition

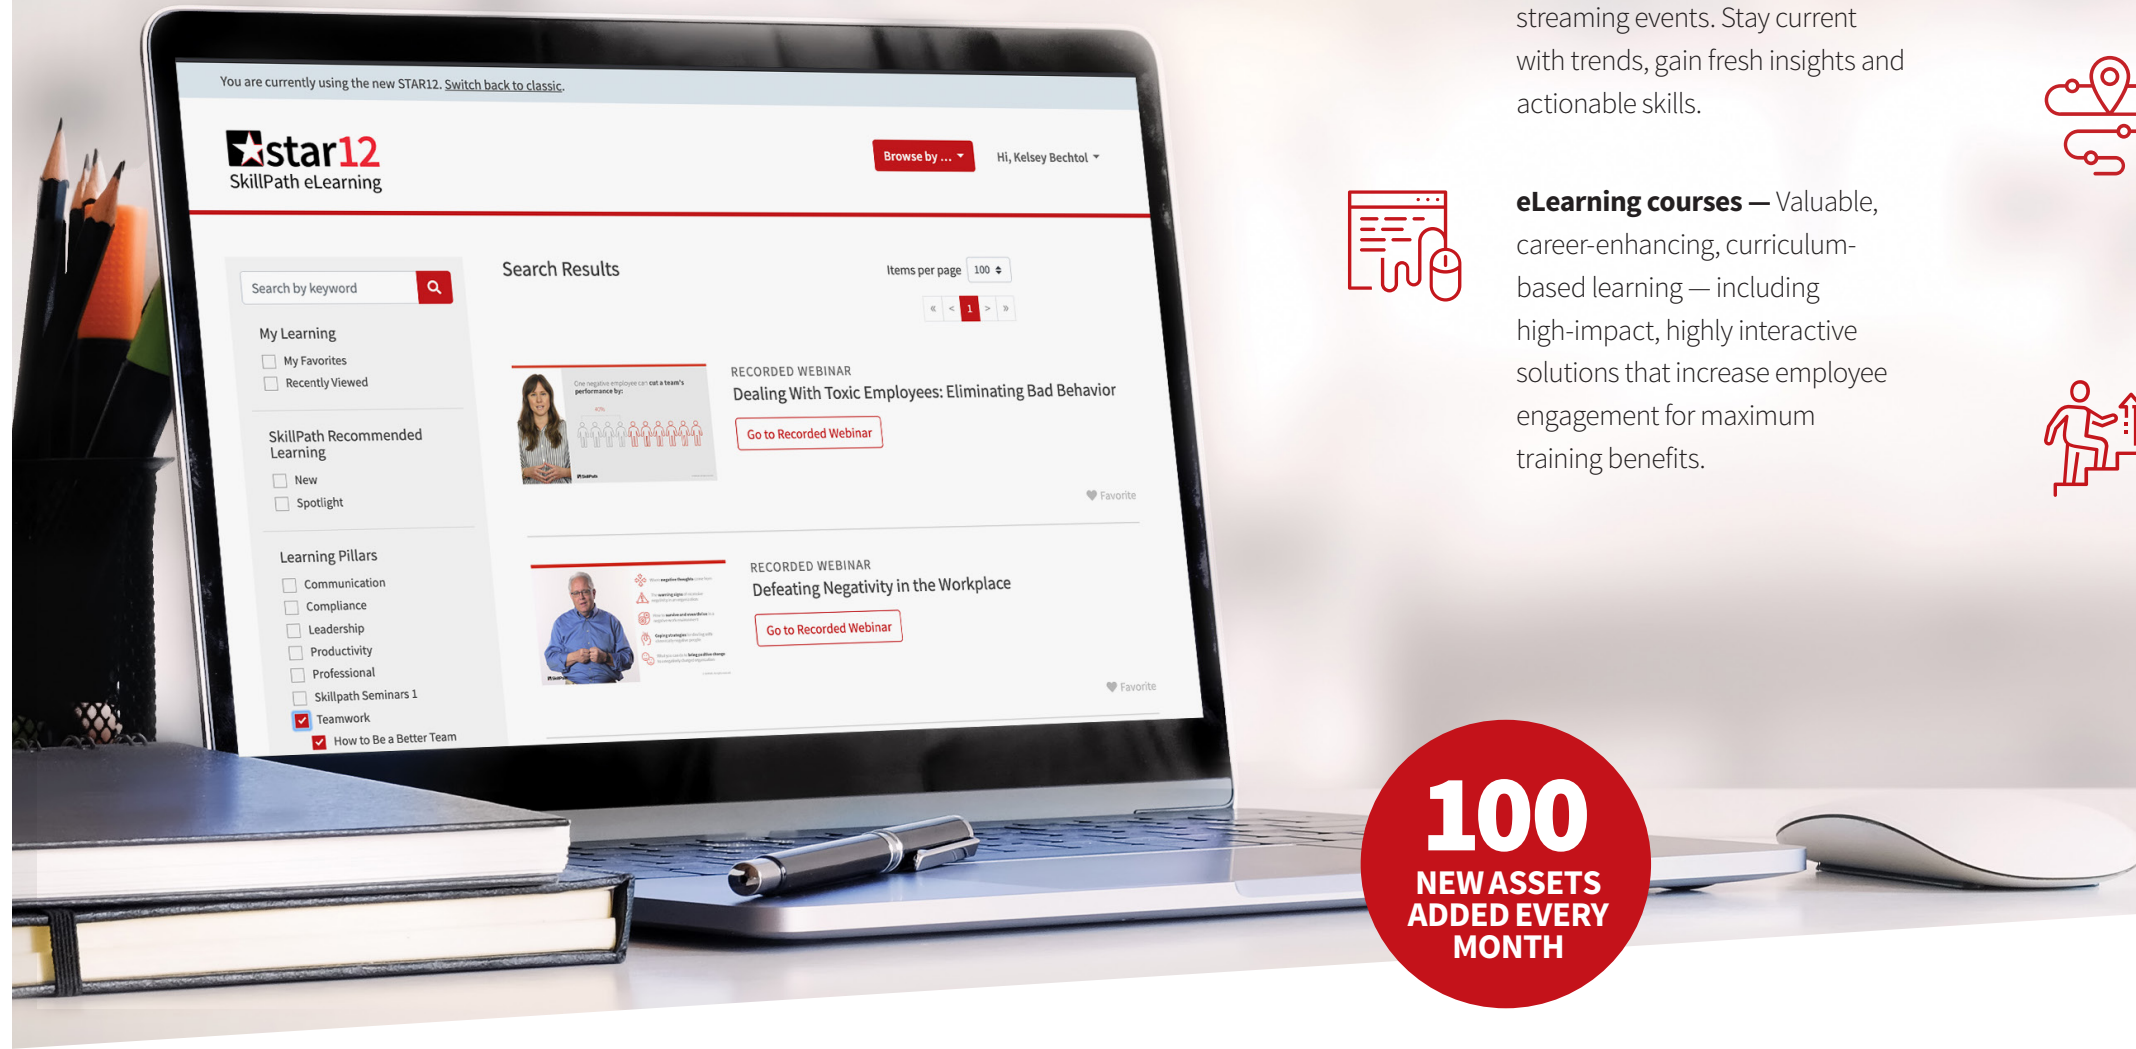

Sustained workplace success is best achieved when you have recurrent access to vital learning tools. The All-Access Edition provides a continual learning experience by giving you unlimited access to employee training and development tools for one year.

ONLY  
**\$499\***  
PER YEAR

## One full year of unlimited training at one low price

Wouldn't it be great to have the training you need available when you need it? That's exactly what STAR12 is all about! No need to worry about breaking your budget. STAR12 members get an unlimited amount of training for one low price.

Join STAR12 All-Access and get a full year of live, instructor-led workshops and unlimited broadcast webinars — FREE! Plus, you'll enjoy instant access to a host of career-boosting tools on the STAR12 site, including all-new curriculum-based eLearning courses and more! You simply will not find a better value for a training program anywhere.

**Unlimited live virtual seminars\*\*** — Experience our most popular instructor-led seminars from your computer, laptop, tablet — even your smartphone. Featuring real-time interaction with our expert trainers.

**Unlimited live broadcast and recorded webinars** — View an unlimited number of scheduled broadcasts, exclusive NEW events as they premiere and special LIVE streaming events. Stay current with trends, gain fresh insights and actionable skills.

**eLearning courses** — Valuable, career-enhancing, curriculum-based learning — including high-impact, highly interactive solutions that increase employee engagement for maximum training benefits.

**Microlearning training library** — Fast-view learning support videos, articles, infographics and action plans. An optimal learning experience for the busiest employees.

**The FranklinCovey online audio collection** — Featuring some of Dr. Covey's most celebrated works, including popular bestseller, *The 7 Habits of Highly Effective People*.

**Personalized learning paths** — Take training to a whole new level of excellence with the freedom to design a custom curriculum for one or two employees or your entire team.

**Ongoing guidance** — Ongoing guidance and recommended training specific to your job, your responsibilities, your needs, your goals, your aspirations and your company objectives.

**100**  
NEW ASSETS  
ADDED EVERY  
MONTH
